

Harry the Hungry Frog Children's Book Series

A frog with a sense of taste and
adventure !

Harry is a frog who is tired of eating bugs and flies. With his mom's permission, Harry ventures out in search of exciting flavors and tastes.

Along the way, Harry meets new friends and learns politeness and manners.

Follow Harry as he hops to a different restaurant in each book. There is a hidden bug throughout each story and a recipe at the end. Enjoy!

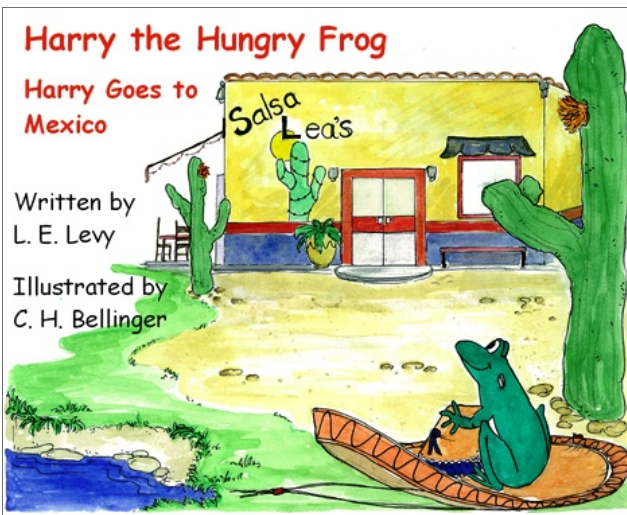

These books are great for:

- Bedtime stories
- A time for reading
- Presents for family members
- Donations to hospitals, schools, etc.
- Business promotion
- Charities
- Presents for friends
